

Dinosaurs

Week starting
20th Feb 2023

Take a look at some of the exciting things we are going to be doing and learning!

Personal, Social, Emotional Development

We shall be taking turns with our friends when playing dinosaur games

We be working together to build a dinosaur land, sharing our idea and thoughts with each other.

We will be taking turns to look after and care for our dinosaurs, may be taking it home for the night and taking photos of what they did.

Communication and Language

We will be developing our vocabulary by talking about differences between the dinosaurs.

We will be learning new songs and rhymes about dinosaurs

We will be developing our listening and attention skills by playing dinosaurs games, and following directions and instructions.

Physical Development

We will be focusing on spatial awareness and negotiating spaces, when playing and doing Dinosaur games, dances and movements.

We will be developing strength in our shoulders and arms to support our mark-making and writing skills through our exploration of dinosaur movements and large-scale drawings.

Mathematics

We shall be exploring and naming 2D shapes by creating pictures of dinosaurs.

We shall be learning and using mathematical language to compare and order dinosaurs by size, weight.

We will be counting sets of dinosaurs, saying a number name for each dinosaur we count, and looking at and matching numerals.

We shall also be.....

- Finding out where dinosaurs use to live.
- Looking at features of dinosaurs.
- Using books, websites to discover facts.
- Drawing and writing plans to make our dinosaur land
- Exploring sounds and music, making movement to sounds.
- Listening to and reading new stories and rhymes

Remember to log on to Tapestry for all the other activities, learning and fun adventures!
