

Coronation, Castle, Knights and Princesses.

The Castle on the Hill

(To the tune of 'The Wheels in the Bus'.)
The castle on the hill is old and strong,
Old and strong, old and strong.
The castle on the hill is old and strong,
For the King!

The castle on the hill has tall turrets,
Tall turrets, tall turrets.
The castle on the hill has tall turrets,
For the King!

The castle on the hill has a draw bridge,
Has a draw bridge, has a draw bridge.
The castle on the hill has a draw bridge,
For the King!

The King in the Castle

(To the tune of 'if You're Happy and you Know it'.)

The king in the royal castle wears his crown,
The king in the royal castle wears his crown,
The king in the royal castle wears his crown and
it dazzles.

The king in the royal castle wears his crown.

The shiny knight in the castle wears armour,
The shiny knight in the castle wears armour,
The shiny knight in the castle has a shield. It
has a tassel.

The shiny knight in the castle wears armour.

The fierce dragon at the castle roars and roars,
The fierce dragon at the castle roars and roars,
The fierce dragon at the castle breathes out
fire
(it's a hassle).

The fierce dragon at the castle roars and roars.

Five Little Dragons

One little dragon with scales of blue;
Ran to meet the green one,
And then there were two.

Two little dragons sitting under a tree;
The red one joined them;
And then there were three

Three little dragons wishing they were more; along
came a purple dragon;
And then there were four.

Four little dragons happy to fly;
Found a yellow dragon;
And then there were five.

Five little dragons all out to play;
Watch out they breath fire,
Is all I will say!!

I'm a Little Princess

I'm a little princess,
Here is my crown.
Here are my slippers.
And here is my gown.
If the dragon finds me,
I won't cry.
I'll tickle him and tickle him
And wave goodbye!

Royal manners

I have royal manners. Yes, I do.
I can say "Please" and "Thank You too"
When I play with friends,
I like to share
That's one way I show I care.

Who will fight the Dragon

(To the tune of 'London Bridge')
Who will fight the dragon,
Fierce dragon, fierce dragon.
Who will fight the fierce dragon?
We need a knight!

Quick, he's breathing lots of fire,
Lots of fire, lots of fire.
Quick he's breathing lots of fire,
We need a knight!

Don't forget your sword and shield,
Sword and shield, sword and shield.
Don't forget your sword and shield.
Get them quickly!

Hooray! Now the dragon's gone!
Dragon's gone, dragon's gone!
Hooray! Now the dragons gone!
What a brave knight!
