Spilsby Playgroup News & Information

Welcome – The beginning of a new academic year!

We are really looking forward to welcoming back those children and families who are returning to join us once again this year. We are also very excited to be welcoming lots of new faces this September.

For those of you returning to us, we hope the children like our refurbished layout inside, we have worked very hard over the summer holidays to refresh and re design both rooms to enhance the learning/play experience for all of the children. We are sure they will like it!

For those children who are joining us for the first time, we are looking forward to welcoming you to our playgroup family.

New children, who have not visited us before, you will have received, in July, an email with introductory sessions. As explained, there is no charge for the initial visiting session. The aim is to give the children, who do not know us, a gentle start, so they are happy. The staff will work with you, following this introductory visit, to establish the follow on sessions for each child individually.

Please see below for up-coming dates for your diary. Further dates will follow.

For further information and news, please follow our Spilsby Playgroup Facebook Page.

Please note: Our main line of communication with you is via email, so please ensure we have an up-to-date email address so that we can keep you informed.
